A Chicago judge of the name of Brentiano was reported one day this week as having committed an impropriety of which other judges are sometimes guilty and for which no judge should ever be allowed to escape public censure. He "tongue-lashed" a jury for acquitting a prisoner. Judge Brentano had no more right to rebuke that jury for its verdict, than the jury would have had to rebuke him for his rulings upon the admission.

Men who go out fishing in an open boat in the midst of a blinding storm and enjoy it, must be strong and healthy aid are pretty sure to live to a ripe old age. Unfortunately, the rush and harry of modern business life will not permit the average man to take frequent outdoor exercise.

In lieu of a life spent partly in the woods and on the water, a man must find some kind of medicine to tone up and invigorate him and incite the vital organs of his body to the faithful performance of their normal functions. Dr. Pierce's Golden Medical Discovery is the only thoroughly effective medicine for this purpose. Its principal action is upon the organs that feed the blood, the stomach, the large intestines and the liver. It facilitates the flow of the disgestive juices in the stomach and the to swell the general fund of \$1,000,000 tano was reported one day this week as which the organizations throughout the having committed an impropriety of him for his rulings upon the admission of testimony.
